Re: Additional Parking Lot for Cox, Cox, Filo, Camel & Wilson, LLC

Dear Mr. Ribbeck,

I wanted to take this opportunity to thank you and your team for the outstanding work you executed on the job mentioned above. Your company displayed great expertise working in a short time frame while still displaying knowledge and quality. The project has been deemed very successful because of these reasons.

I also was pleased with the promptness and courteousness of Camilo Garcia, Project Manager. We were kept very informed in the scheduling and the coordination. This definitely helped with the flow of the project to its completion.

The parking lot is a wonderful addition to the growth of this law firm. Please feel free to use me as a reference. We are looking forward to working with Ribbeck Construction Corporation in the future.

Sincerely,

Michael K. Cox

Dear "Buzzy":

Instead of a "bitch" letter to Colonial (it'd make me mad!), I'll do a "fan" letter to Ribbeck's (it'll make me glad!).

It's been a pleasure doing business with your fine organization. Even though I've told you on the phone and in person, I want to put in writing that I think you have a great team of - not simply employees - but friends, working together to make Ribbeck Construction the success that it is. This is especially true of the men that worked on our home: Russ, Rickie, Keith, Kevin, Ron, and of course, yourself! With such a "spirit of comaraderie" you'll continue to grow *ad infinitum*, and good fortune for each of you will be "pressed down, shaken together, and running over". That's a promise!

CONGRATULATIONS!

On a personal note, stop by when you're in the neighborhood. There's a pyramid you might enjoy seeing. (I forgot I had it!) My brother gave me an Arkansas crystal embedded in a lucite pyramid when I was studying "pyramid power"!

Very sincerely,

Lowell Wilson

P .S. Have a wonderful vacation!
