**Re: Additions and Renovations to Lake Charles  
Regional Airport Passenger Terminal Building**

**Dear Mr. Ribbeck:**

**Final inspections have recently been completed on the just finished additions and remodeling of the Passenger Terminal Building here at Lake Charles Regional Airport.**

**Just a note of thanks to you and your company for a job well done. When I attended your initial construction meeting with all the subcontractors, I quickly saw how organized you are. That organizing and planning held out throughout the project; the job was of high quality and was timely completed. You, your staff, and Kevin O'Meara deserve recognition for all you did.**

**I would welcome the opportunity to work with you on future projects if the need arises.**

**Sincerely,**
